FLINDERS
PRIVATE
HOSPITAL

8275 3333 - flindersprivatehospital.org.au

Flinders Private Hospital provides an emergency service for all cardiac related symptoms via our Chest Pain Centre 24 hours a day, seven days a week. The service is available to all our private patients and the ambulance can transfer you directly through to our CHEST PAIN CENTRE via the front entrance of Flinders Private Hospital or via the Flinders Medical Centre Emergency Department.

.....
If you are experiencing symptoms like: **chest pain or tightness, palpitations, pressure and/or shortness of breath** please call an **ambulance** on **000** and ask for Flinders Private Hospital, Emergency Chest Pain Centre.
For any Emergency Chest Pain Centre enquiries, please phone 8275 3347.
.....
